

**Candidates with the following degrees are eligible to apply for the
MS(Research) programme in the Amarnath and Shashi Khosla School of
Information Technology**

B. Tech / B. E. in:

Automobile Engineering
Biochemical Engineering / Biotechnology
Civil Engineering
Computer Science
Electrical Engineering
Energy Engineering
Industrial Design
Industrial Engineering
Information Technology
Instrumentation Engineering
Mechanical Engineering
Electronics & Communication
Engineering Physics
Production Engineering
Manufacturing Science & Engg
Textile Engg / Technology
Energy Engineering / Energy System / Associated Disciplines

OR

M. Sc. in:

M. Sc. Operational Research
M. Sc. Meteorology
M. Sc. Statistics
M. Sc. Chemistry
M. Sc. Mathematics / with an exposure to appropriate level course in Computer Technology
M. Sc. Physics with specialization in Electronics

OR

M. A. / M. Sc. Maths
MCA (with Maths and Science at B. Sc. Level)
Bachelors degree in Architecture
